

REMARKS

The present amendment only makes minor changes to the title, which now reads "RETROVIRAL VECTORS, METHODS FOR THEIR PREPARATION AND THEIR USE FOR GENE TRANSFER INTO CD4-POSITIVE CELLS". No further changes are made and no new matter has been added.

The title of international application PCT/DE98/00593, to which the present application claims priority, reads "RETROVIRAL VECTORS, METHODS FOR THE PREPARATION AND THE USE FOR GENE TRANSFER INTO CD4-POSITIVE CELLS". This title appeared on the Filing Receipt dated January 4, 2000, for the present application.

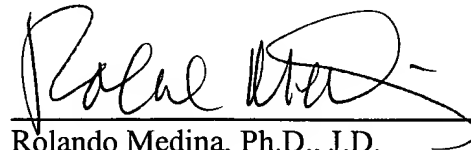

On February 10, 2000, Applicants requested a corrected Official Filing Receipt with an amended title of "RETROVIRAL VECTORS, METHODS FOR THEIR PREPARATION AND THEIR USE FOR GENE TRANSFER INTO CD4-POSITIVE CELLS" (emphasis added).

On March 22, 2000, a Corrected Filing Receipt was mailed that incorrectly recited the title as "RETROVIRAL, VECTORS, METHODS FOR THEIR PREPARATION AND THEIR USE FOR GENE TRANSFER INTO CD4-POSITIVE CELLS". Applicants note that this title incorrectly contains a comma (,) between "RETROVIRAL" and "VECTORS".

To ensure that the patent is printed with the correct title, Applicants respectfully request that the Examiner enter this Amendment after Allowance. No fees are believed to be due. Please apply any charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,

Date: 10 March 2005
